

DRESS CODE

A student's appearance, self-respect, and performance tend complement one another. Hence, reasonable care and neatness in regard to dress and appearance are required of all students. Saint Theresa School recognizes that a person's dress and grooming does not make him or her Christian or even more "spiritual." However, as a school, we maintain the right to set standards that we believe honor God and create an atmosphere conducive to the education of children. We expect parents to see that their child is sent to school conforming to the STS dress code.

Saint Theresa School has a standardized dress code.

The official uniform supplier is Flynn and O'Hara. It is highly recommended that parents utilize them for their child's needs. It is high quality and lasts significantly longer than anything else.

UNIFORM = FLYNN & O-HARA

In General:

Students will wear the school uniform and will be in full compliance with all dress code regulations from the first day of school to the last day of school. General policies:

- Shirts and blouses must be tucked in at all times, with the exception of the banded bottom fit form girls in grades 5 - 8.
- Coats, hats (any type), sweatshirts, and other outside apparel cannot be worn during the school day. The long sleeve blue cardigan sweater or *New zip pullover sweater may be worn if a child feels the room temperature is inadequate.
- STS Spirit Wear sweatshirts, zips, and hoodies can be worn to school, BUT are ONLY worn during the school day on assigned P.E. days. They are NOT to be worn during the day on the other four days as it is not a part of the regular uniform. Permission may be granted by school personnel due to room climate conditions.
- Pants must be in good repair, worn at the waist, not touch the floor, and not be oversized. Belts are to be worn.

Three Uniform Violations will result in a Behavior Detention.
