Please click here to learn more about how small businesses can reduce or eliminate quarterly tax payments!

[EITC / How to apply for EITC \(sainttheresaschool.org\)](http://sainttheresaschool.org)

The flyer features the Saint Theresa Elementary & Middle logo at the top, which includes a fleur-de-lis and the text "EST. 1962". Below the logo, the text reads "SAINT THERESA ELEMENTARY & MIDDLE". The main headline is "You've already built a successful business... It's time to build a legacy." in a mix of bold and cursive fonts. A paragraph explains the EITC program: "By participating in the Educational Improvement Tax Credit (EITC) Program, you can direct your business tax dollars (that you already pay) to our community. Let us help your business turn its tax dollars into scholarships for our students!". A four-step process is listed: 1. Sign the one-page pledge form; 2. Receive approval and submit contribution; 3. File your State Taxes using the provided K-1; 4. Receive a credit on your state taxes for 90% of your contribution. At the bottom, it lists "RedefinED Advisors LLC" with a logo, the email "info@redefiningeducation.org", and the phone number "814-419-5505".

## Why should I consider the EITC Program?

In an effort to keep tuition hikes down, private schools raise money through the EITC tax credit program. You, as a Pennsylvania state taxpayer, can redirect your tax dollars to our school! The minimum donation is \$1,000 and you get a tax credit of 90% (that's \$900 on a \$1,000 donation) to file with your state income taxes.
