EITC Program

Why should I consider the EITC Program?

In an effort to keep tuition hikes down, private schools raise money through the EITC tax credit program. You, as a Pennsylvania state taxpayer, can redirect your tax dollars to our school! The minimum donation is \$1,000 and you get a tax credit of 90% (that's \$900 on a \$1,000 donation) to file with your state income taxes.

EITC Small Business Tax Program

Please click here to learn more about how small businesses can reduce or eliminate quarterly tax payments!
